

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay. The examiner has indicated that the case contains allowable subject matter.

The drawing has been replaced with an appropriately labeled Replacement Drawing.

The claims have been amended to correct the problems pointed out by the examiner and to make them conform somewhat better to US practice. No new matter has been entered, and their scope has not been changed.

If only minor problems that could be corrected by means of a telephone conference stand in the way of allowance of this

case, the examiner is invited to call the undersigned to make the necessary corrections.
